EXPERIENCE

20 years as an independent contractor graphic designer. Below is just a select highlight of experience and businesses for which design services were delivered.

iDesign Graphics

[2008 - PRESENT]

Independent Contractor.

Elevated the brand and marketing visuals for a multitude of clients. Created graphics to meet specific commercial or promotional client needs, such as trade show displays, package designs, logos, and publications. Used a variety of tools, software and knowledge based on 20+ years of professional experience to propel clients brand forward. Confer with clients to discuss project scope and specifics. Create layouts using the typography principles, color theory and other aesthetics of design. Agency experience.
